Minutes Started at 4:23pm

Attendees: Thomas Burnworth, Guillermo Perez, Vuk, Hochung Kim, Stephen Silva, Ryan Starr, Henri de Hahn, Cameron Robertson

1. The main point of the meeting is to figure out what we are going to spend the rest of our money on.
  - a. Neither Thomas nor Henri haven,t been able to figure out the exact numbers
  - b. Henri thinks about \$100,000
2. The shop needs \$25,000 for the model shop, worktables in cathedral and power tools.
  - a. We could pay 60% or \$15,000
  - b. Henri wants a cabinetmaker to come into the shop and review furniture
3. Henri and Steven Phillips are trying to get a corporate sponsored studio
  - a. Tom Fowler is trying to get a studio where the students design their own desks
  - b. Henri wants to use these studios as a teaser to get more donors and therefore more studiosΣ
4. Ryan talked to Jim Doerfler who is talking with Haus, trying to get a special deal.
  - a. Possibly, we could make the laser cutter open to other majors ^ which will hopefully encourage these other majors to buy some new equipment, and then we will have all that we need.
5. Is there anyway we can allot money for next year? Henri has to ask Dick Zweifel
6. Ryan wants a class that concentrates on a couple of architects and does case studies
  - a. Henri wants there to be a strong 3rd+ year theory class.
7. Vote on money towards the shop, \$15,000: Unanimous Yes
8. Vote on money towards renovation of two studios: \$15,000 x 2 = \$30,000
  - a. Henri will bring Steven Phillip's studio furniture proposal.
9. We probably won,t have another meeting until final,s week. Ryan will send out an email telling us exactly the time.
